Desk statement Sierra Club v7b.docx

Hi, Tom,

The attached reflects Kevin's suggested change to #16. So, please review this version.

And, once again, please note that we are only planning to send the draft desk statement to the Panel (and to Carolyn Hubbard) today. The final letter and report will go to the Panel on the same day that the letter goes to Sierra Club.

Hi, Kevin, Tom,

Please see attached revised desk statement. I had found additional questions that Carol Ann had suggested for the prep for the Stakeholder meeting. Kevin suggested that we add a couple of them to our desk statement. So, please see questions 16 and 17, newly added in the attached revision.

And, just to clarify, we will be sending only the desk statement to the Panel (and to Carolyn Hubbard) today. The final letter and report will go to the Panel on the same day that the letter goes to Sierra Club.
